- EVENTS**
- Support local events and groups
- TEAM**
- Host regular team bonding events for staff & families
- ACADEMY**
- Created G&H Apprentice Training Academy

**Over many years we have dedicated support, funding and time to help local people and improve our community.**

## CHARITY

We co-founded the community interest company Building Futures Together to help youngsters who are losing their way or are unsure of what to do when leaving education aged 16. Sessions are held in schools to show pupils in years 9, 10 and 11 the options available in the construction industry and BFT organises work experience and apprenticeships with a view to ultimately forging lifelong careers.

## FARSLEY CELTIC GIRLS FOOTBALL CLUB

Farsley Celtic Girls Football Club is a thriving team giving girls the chance to play and improve their footballing skills. We are the long-term shirt sponsors of the girls' under-13s team and have funded various pieces of expensive equipment for the club as it goes from strength-to-strength.

## RODLEY CRICKET CLUB

Rodley Cricket Club is another local sports club that promotes participation among young people that we are delighted to support. We are the shirt sponsors for the under 7, 9, 11, 13 and 15 sides helping raise vital funds for the club's grassroots teams.

## LEEDS RHINOS

Leeds Rhinos are one of the biggest clubs in the world of Rugby League. Our sponsorship support helps its charity, the Leeds Rhinos Foundation, which delivers projects in the heart of the community to make a lasting, positive impact on peoples' lives.

## FUNDRAISING

We have a long history supporting various charities with over £15,000 raised in 2019 for St Gemma's Hospice, St James's Hospital, St Leonard's Hospice, Yorkshire Cancer Research, Bloodwise and Macmillan Coffee Morning.

We also provide funding and support for various community groups including Swinnow Lane Community Centre, Pudsey Carnival and The Rotary Dragon Boat Race.
